

## Note to All Students

You are **NOT ALLOWED** to take any course if you have not validate its pre-requisite (earned its credits). For example, you are **NOT** allowed to take BCOR 260 (Principles of Finance), if you did **NOT** pass BCOR 130 (Financial Accounting); even if your name is on the attendance list.

In addition, if you are going to add courses from the junior or senior level, you need to get the approval of the Head of the Department and the General Secretary and to respect the major-minor combination below:

1. **Accounting I: Major Accounting and Minor Finance**
2. **Accounting II: Major Accounting and Minor Business Analytics**
3. **Accounting III: Major Accounting and Minor Information Technology**
4. **BA I (Business Analytics): Major BA and Minor Finance**
5. **BA II (Business Analytics): Major BA and Minor Information Technology**
6. **BA III (Business Analytics): Major BA and Minor International Business Economics**
7. **BA IV (Business Analytics): Major BA and Minor Marketing**
8. **Finance I: Major Finance and Minor Accounting**
9. **Finance II: Major Finance and Minor Business Analytics**
10. **Finance III: Major Finance and Minor Information Technology**
11. **Finance IV: Major Finance and Minor International Business Economics**
12. **Finance V: Major Finance and Minor Marketing**
13. **IT I (Information Technology): Major IT and Minor Business Analytics**
14. **IT II (Information Technology): Major IT and Minor Finance**
15. **IT III (Information Technology): Major IT and Minor Marketing**
16. **Marketing I: Major Marketing and Minor Business Analytics**
17. **Marketing II: Major Marketing and Minor Information Technology**
